

Christmas With You

By: Pastor Dale Evrlist

**Good morning, God's dear daughter
Good morning, my dear friend
It's time to rise from slumber
And greet the day again**

**I'm with you every morning
And noon and evening too
But this day is quite special
I've come to spend Christmas with you**

**Let's celebrate the goodness
Of God's amazing grace
The light and love of heaven
Seen in a baby's face**

**So rise and look to heaven
With praise for lives made new
By one born as the savior
I've come to spend Christmas with you**

**The bleakness that surrounds you
Does not reflect your soul
The Spirit shines within you
My love has made you whole**

**So rise this holy morning
And sing what's right and true
With joy and celebration
I've come to spend Christmas with you**

**The Father sent His only Son
To break the bonds of sin
To come and bring the kingdom
That all might enter in**

**So rise beloved dear daughter
With hope that's fresh and new
Your King has come this morning
I've come to spend Christmas with you**
