

THERE'S NO ONE LIKE A

BY: PASTOR DALE EVRIST

Father

There's no one like a father,
your hero from the start
His strength is like no other,
he loves you from the heart
He gets up every morning,
and works for you all day
There's nothing he won't do for you,
no price that he won't pay

There's no one like a father,
yes, he's a family man
He never had another thought,
and not another plan
A wife and kids and family,
that was this man's dream
For it, he will walk the path,
always on the beam

There's no one like a father,
a man of Word and Spirit
He's going to keep on sharing truth,
in hopes that you will hear it
And even when you stray
from what he knows is true
He'll keep sharing what he believes,
that's how much he loves you

There's no one like a father,
a leader, and a light
He's not afraid to speak what's true
and not afraid to fight
He'll take a stand for what is good,
and seek to shape your life
He'll go to war with compromise,
and work to conquer strife

There's no one like a father,
the anchor of the home
He'll never leave the ones he loves,
from them, he'll never roam
His love for them will draw him,
each and every day
He'll never wander from them,
from them he'll never stray

There's no one like a father,
who does the things he must
A man you can believe in,
a man that you can trust
He lives by his commitments,
convictions strong and true
He'll never stop believing
in God's good hand on you

There's no one like a father,
who wars and worships well
Who joins with hosts of heaven,
to battle hosts of hell
He'll never stop contending
for the Father's perfect plan
To see you realize His best,
and see you rise and stand

No, there's no one like a father,
so honor him today
Yes, stand and recognize him
and honor him always
You'll never find a better friend,
who'll always hold his ground
The one who'll always lift you up
and never let you down

Happy
FATHER'S DAY
